## 9. Board of Studies

### Curriculum Development

Curriculum Development Cell restructured the templates of the Curriculum of all the Departments and guided the Board Chairman to restructure the syllabus. The Board Chairman in turn conducted Board meetings to revise the whole syllabus. To meet the global standards, new papers were introduced. As a common feature internship (optional) with extra credit (1) and mini projects (optional) with extra credit (1) were introduced during IV and VI Semester for UG courses. These changes were discussed in an elaborate manner in the Board of Studies Meeting conducted on 27.06.2015 and approved with few changes. The same was approved by the Academic Council held on 04.09.2015. The Members of Academic Council

#### **14. Details of Courses modified/stopped/started during the year - Nil**

#### **15. Any External/Internal evaluation done during the year. If, so give report**

Yearly Internal Academic Audit was conducted in the month of February. A committee consisting of 2 senior faculty members heading a team of 4 faculty members to evaluate the academic outcomes and the system present.

An External Academic Audit held on 21<sup>st</sup> and 22<sup>nd</sup> September 2015 with two external members and one internal member.

##### **External Members:**

1. Dr. Alphonse Manickam S.J.  
Principal  
Loyola College  
Vetavalam  
Thiruvannamalai Dist.
2. Dr. J. Srinivasan  
Associate Professor  
Department of Commerce  
Muthurangam Govt. Arts College,  
Vellore.

##### **Internal College Coordinator**

1. Dr. S. Mythili  
Associate Professor of Commerce  
D.K.M. College for Women,  
Vellore.

The following outcomes were evolved

##### **Department Level**

- Department wise placement activities to be organized.
- Each department must be student centered on a specific skill training which should be different from the general academic activities. Example: Department of Mathematics can conduct various coaching to students to enter into service commission examinations.

### **College Level**

- Staff Development Programmes to be encouraged either arranging for training within or outside the college.
- Skill based training to be encouraged to enable the students for better placement.
- More Women development strategies to be adopted.
- Internet facility to be made available to all students to develop technological skills.
- Communication and Soft skills to be training should be given to all students with the well trained and special Staff Members.

### **Research**

- Research should be given more importance as we are going for third cycle of assessment. All staff members should register for Ph D. The PhD holders should be actively involved in research by guiding students and getting external funds for UGC, CSIR, DRRD, DST and soon.

### **General**

- Canteen facility can be improved with the collaboration with Nutrition Department and NSS.
- Admission/ Office are well Organised with the limited Staff available. It is appreciable

## **16. Benefits accrued to students under autonomy**

- Maximum utilization of ICT enabled teaching.
- Network resource centre has been established to develop research.
- Seven certificate courses were introduced by various departments.
- Industry and institutional partnership enabled the students to get practical knowledge and employability.
- The College has entered into Memorandum of Understanding (MOU's) with the following industries/institutions.
