REPORT
ON
AWARNNESS PROGRAM ON LEPROSY AND TUBERCULOSIS
DATE: 14.12.2023

Youth Red Cross, DKM College for Women, Vellore in association with Government Health Service Vellore conducted an awareness program on Eradication of Leprosy and Tuberculosis on 14.12.2023 at Kaveri Hall. The programme was aimed to impart knowledge on Anti- Leprosy and Anti- Tuberculosis. Dr .T. Bharathi, YRC Programme Officer delivered the welcome address she emphasised the need and important of NLEP & NTEP [National leprosy elimination programme & National Tuberculosis elimination programme

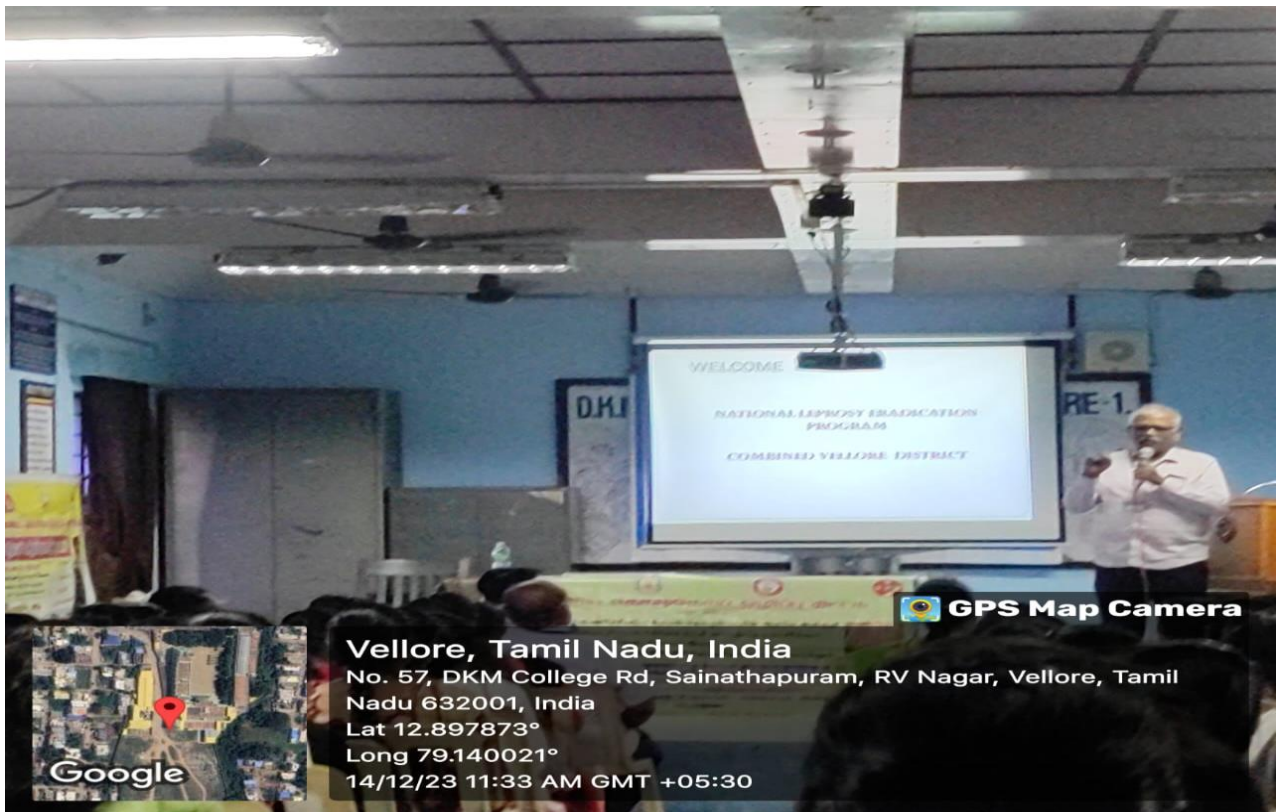

Dr..B.Preetha , Deputy Director of Health service – Leprosy, Vellore delivered the special address. She spoke on the current day reality of leprosy and tuberculosis. She pointed out causes and symptoms of the same. The major concern was to create awareness and detect cases of leprosy at the early stage and provide complete treatment at free of cost.

The speaker explained how to utilise the Government scheme to eradicate leprosy and tuberculosis. Mr. G. Subash Government officer conduced an interactive session with students and clarified all the doubts raised by them. Around 108 students actively participated in the programme.

Mrs.C.Revathi, Programme Officer proposed the vote of thanks. The programme was ended up with National Anthem.

FEEBACK FROM THE CHIEF GUESTS

FEEDBACK FROM STUDENTS

Feedback About Leprosy and T.B awareness program

The awareness program about the Leprosy and T.B is very useful and informative.

It was helpful to know the symptoms and precautionary measure of these diseases.

The way of explanation is super.

Feedback

- * This is very useful session to Leprosy and Tuberculosis (TB)
- * I learnt many useful things about these Disease.
- * I will definitely spread this information to my relatives, Neighbours.

Thank you

Feedback

This session is useful to us. We know all about the informations of Leprosy and Tuberculosis. We know the all the systems of Leprosy & TB. We just aware to neighbours.
