

**DKM COLLEGE FOR WOMEN (AUTONOMOUS),VELLORE.**

**DEPARTMENT OF MANAGEMENT STUDIES**

**QUESTION BANK**

**SUB: RESEARCH METHODOLOGY**

**CLASS: II M.A. HRM**

**Section- A 6 MARKS QUESTIONS**

1. Define Research? Explain the objectives & Significance of Research?
2. Explain the types of Research?
3. Explain the steps involved in selecting a problem?
4. Explain the techniques of selecting a problem?
5. Explain the features of Research design?
6. Explain the concepts of Research design?
7. Explain the problems of Research design?
8. Explain the criteria of a good research?
9. Explain the business studies of research?
10. Explain the term factorial design?
11. Explain the concept of case study?
12. Explain the merit & demerit of Historical method?
13. Explain the need & characteristics of Hypothesis?
14. Explain the testing & sources of Hypothesis?
15. Explain the types of Hypothesis?
16. Explain the function of Pilot study?
17. Explain the need & Purpose of pre- testing?
18. Explain the need & Characteristics of sampling?
19. Explain the steps involved in sampling?
20. Explain the criteria of a good sampling?
21. Distinguish between probability & non -probability sampling?
22. Explain the merit & demerit of a primary data?
23. Explain the sources of secondary data?
24. Explain the merit & demerit of probability sampling?
25. Explain the merit & demerit of non- probability sampling?
26. Explain briefly prerequisites a questionnaire?

27. Explain the types of observation?
28. Explain the prerequisites of a Interview method?
29. Distinguish between schedule & Questionnaire?
30. Explain the process of data?
31. Explain the types of editing?
32. Explain the concept of costing & clarification?
33. Explain the term transcription?
34. Explain the types of Report?
35. Explain the guidelines of a good report?
36. Explain briefly the term Appendix?
37. Explain the concept quotation?
38. Explain the term quotation?
39. Explain the term footnote?
40. Explain the concept Bibliography?
41. Explain the types of Research design?

**Section-B      15 MARKS QUESTIONS**

1. Explain the detail the Research process?
2. Enumerate the type of exploratory design?
3. Explain the concept of Research methods?
4. Explain the types of primary data?
5. Explain the types of sampling method?
6. Explain the term processing of data?
7. Explain the layout of a report?
8. Explain the concept Rort study?
9. Explain briefly: - a) foot note b) Bibliography C) quotation.
