**REPORT**

Internal Quality Assurance Cell (IQAC) organised webinar on the topic “Learning through Digital Platform” through Google Meet at 10.00 a.m. on 05.08.2020. Dr. P.N. Sudha, Principal, D.K.M. College was inaugurated the Programme and the welcome address was given by Dr. R. Padmaja, Associate Professor and Head, Department of Commerce and IQAC Co-ordinator. She introduced the Resource Person, Dr. K. Kishore, Assistant Professor, Department of Commerce, Voorhees College, Vellore.

Dr. K. Kishore spoke on the topic **“Learning through Digital Platform”**. He began with the role of teachers on the significant part of teaching and learning through digital tools. He emphasised on the availability of various digital education tools for the benefits of teachers and students accordingly to the present educational environment. He further explained how to use the Open Broadcaster Software it is an open source software suite for recording, device capturing, scene composition, encoding, recording, broadcasting and live streaming.

In continuation he motivated and provided an online hand on training with the use of Open Broadcaster Software. He further suggested the faculties to have an account in YouTube channel for online live sessions. The Faculties are enthusiastically participated and raised many questions which were clarified by our resource person.

As a conclusion, he motivated the teachers at present we are highly in need to learn as quickly the modern pedagogical methods so only we can able to

render our educational services effectively and also to attract the students with our smart teaching skills. He concluded the session at 1.00 p.m.

In Connection with this webinar, Dr. R. Padmaja, IQAC Coordinator, encouraged the participants to submit an online assignment on the topic video lecturing through Google Classroom with the use of Open Broadcaster Software. Online Feedback link was sent to the participants and E-Certificate was attached after their successful submission.

Dr. C.Vinothini, Assistant Professor and head, Department of Physics & IQAC member proposed the vote of thanks.
