Good Nutrition -Our Mission

Introduction:

- Developing good nutrition habits early may help reduce the risk of many disease later on in life. Good nutrition to help familiar develop health habits.

Objectives :

- Access to education and students success.
- Health and wellness across the life cycle.
- Education and leadership development. promote the translation of Nutrition research to health and quality of life.

Report :

Food for People is working to eliminate hunger and improve the health and well-being of our community through access to healthy and nutritious foods, community education and advocacy.

We envision a community where everyone has access to good quality, nutritious food, understands the consequences of hunger and poor nutrition and is committed to creating a stronger, healthier Humboldt County.

The Coalition aims to raise awareness, foster collaboration and advocate for improved programmes to achieve sustainable food and nutrition security in India.
