**REPORT**

**17-03.2018**

D.K.M College for women, in view of preparing the faculty towards the NAAC accreditation of the College organized an FDP programme on 17-03-2018. The programme began at 10.00 a.m. in the D Conference hall. Dr.P.N. Sudha, the Principal, D.K.M. College welcomed the gathering and introduced the chief guest of the day Dr. M. G. Sethuraman, Professor of Chemistry and Director, IQAC, Gandhigram Rural Institute, Gandhigram, Dindigul. She pointed out the need for faculty development programmes during the preparation for NAAC accreditation process. Mr.Sethuraman spoke on the topic "Preparation of Educational Institutions for Future Challenges." The technical session I on NAAC Accreditation – Revised Guidelines began with details on quality in higher education and the requirements to achieve it.

He indicated that the new frame of assessment required a minimum pre – qualifier score to become eligible for the on-site evaluation of the NAAC committee. The various quality indicators and the respective score for each quality indicator were discussed. A total of 136 points and how it has been distributed in the metrics were explained with the help of tables and pie charts. Curriculum, academic flexibility, feedback system, evaluation process, infrastructure, research and development were the major areas of thrust.

Minute details like celebration of certain important national days, need for a water harvesting plant, best practices in the college and bringing in paperless documentation were some of the new ideas that helped the faculty to rethink and restructure their college activities. The second technical session was themed on the topic "Outcome Based Education (OBE). He also trained the teachers on the preparation of a PEO (Programme Education Outcome), PSO (Programme Specific Outcome) and CRO(Course Education Outcome) in the curriculum development, syllabus preparation and examination system. Dr. M. Jaya Sudha, Assistant Professor of Economics proposed the vote of thanks. The programme came to an end with the National Anthem.
