

BRIDGE COURSE - 2021

Report on the BRIDGE COURSE:

Threat of Pandemic brought in new changes in academic part of life, involving everything online to the students. Academic year begun in the month of August, Bridge Course for New batch of students conducted through Online mode. Mrs. S. Indragandhi, Head and Assistant Professor of English initiated conducting Bridge Course for I B.A English Students. A power point presentation is screened to students to give them the rules and regulations of the college. A short introduction is given about Secretary Sir and Principal madam to the new comers. A brief introduction is given about the history of the Department and department strength. Future plans of the department are shared expecting their full support in future years.

Later Session of the Bridge Course are handled by other English faculties for the students of other disciplines. Self introduction led to interactive session, revising grammar lessons learnt in their higher classes. Brushing up of new grammar lessons, online activities among students encouraged to have active participation. Students were informed about their syllabus of both foundation, major papers, examination process and mark system followed in Autonomous pattern. Students were advised to attend online classes regularly and importance of attendance is well explained. Monthly Assignment and Continuous Assessment importance is shared. Bridge Course led them to have confidence of new ambience they entered.
