The Department of Chemistry had conducted extension activity on 06.12.18 at Government high School, Edayansathu, Vellore-2. All our UG, PG and M.Phil students actively participated in this event. The main objective of this visit was

- ❖ To motivate the school students in the field of science especially in Chemistry.
- ❖ To encourage the students and also to provide a perfect platform for the students to gain extra scientific knowledge.
- ❖ To become aware of the recent innovations in the field of Science.

The following activities were successfully conducted in this extension activity Skits, Exhibitions, Quiz competitions, Cultural and Games.

The Department successfully conducted a one day National Conference on “Emerging Trends in Chemical and Biological Sciences” on 4<sup>th</sup> January 2019 under UGC autonomous fund. More than 185 delegates from various institutions and companies and 255 candidates from the host college registered to participate in the conference. The souvenir was released by our Secretary Thiru D. Maninathan and the Inaugural address was given by Dr. M.Valarmathi, Joint Director of Collegiate Education, Vellore Region. The first key note address was delivered by Dr. R. Shailaja, M.D. (Siddha), Research Associate, Animal & Mineral Origin Drug Research Laboratory, CCRS-Siddha Central Research Institute, Ministry of AYUSH, Government of India, Arumbakkam. Chennai-600 106 on the topic “Recent Trends in ASU Drug Research with Special Emphasis on Characterization of '*Sangu parpam*' - A Traditional Siddha Drug of Marine Origin”. The second key note address was delivered by Dr. A. Subramania, Ph.D., Associate Professor, Centre for Nano Sciences & Technology, Madanjeet School of Green Energy Technologies, Pondicherry University on the topic “Nanostructured Materials Synthesis and their Applications in Energy Devices”. Totally 50 abstracts were accepted and published in the souvenir and they were called upon to present their research articles in the conference. High quality papers will be considered, in extended forum, for publication in the special issues of International Journal of Pharmacy and Biological Sciences. Two paper presentation sessions (morning and afternoon) were scheduled. 15 research papers were presented by the research scholars. There were 15 poster presentations. Dr.K. Parthasarathy, Research Officer, Siddha

Central Research Institute, Central Council for Research in Siddha, Ministry of Ayush, Arumbakkam, Chennai , distributed the prizes for the prize winners and certificates for the participants from various institutions.

The association conducted series of departmental competitions during the academic year 2018-2019. Many students participated in all the competitions.
