D.K.M.COLLEGE FOR WOMEN (AUTONOMOUS)-VELLORE

DEPARTMENT OF BIOCHEMISTRY

VITAL HEALTH CHECK UP-2021

INTRODUCTION

And as today's students are the future of the nation their health must be protected specifically.

AIM AND OBJECTIVE

For the event the UG Biochemistry Lab was chosen as the venue. UG and PG students of Biochemistry actively participated in the medical checkup. The overall health conditions of all the students were checked up by them.

ACTION PLAN

Our department came forward to provide certain necessary and vital checkups in **Low cost** for students. The medical camp started its work from around 2.00 pm in the afternoon. Following parameters are analyzed.

S.No	Biochemical Parameters	Cost
1	Blood Pressure	Rs 5
2	pulse	
3	Blood Grouping	Rs 10
4	Height	Rs 10
5	Weight	
6	BMI	
7	Random Blood Glucose Level	Rs 10

OUTCOME OF THE PLAN

As per the expectation, many students from other departments came for health checkup and 62 students were benefitted. After checking up, they even prescribed necessary actions, Diet counseling and precautions if needed to be taken Thus with a holistic coordination of

department staff and students, the medical camp came to a successful end at around 5:00 p.m on 3.4.2021

The Department of Biochemistry have planned to organized such medical camps frequently for different grade's students and the College Bus drivers, conductors, exnora staff members, and frontline workers of our college in future.
