

INVITATION

D.K.M COLLEGE FOR WOMEN
(Autonomous)
Sainathapuram, Vellore – 632001

DEPARTMENT OF BIOSCIENCES
Invites you to the
One day Workshop
On
**“Computational analysis of small
Molecules and Molecular docking”**
In collaboration with School of Biosciences and
Technology, Vellore Institute of Technology
On
FEBRUARY 7th, 2019; 10 am
Venue: PG Computer Science Lab

Program Coordinators
Dr. A. Vidya, Assistant Professor and Head of Microbiology
Dr. T. Gomathi, Assistant Professor of Chemistry
Mrs. K. Shoba, Assistant Professor of Biochemistry

REPORT

The goal of the workshop is to utilize new technologies in the context of a value – centered education. This workshop is designed for a group of life science students and Research scholars. One day Workshop on “Computational Analysis of small Molecules and Molecular Docking” took place on 07/02/19 at PG Computer Science lab.

The inaugural function was blessedly started with Tamizh thai Vazhthu by
10.00AM
