

## **2. EXTENSION ACTIVITY**

PG & Research Department of Chemistry has conducted extension activities on 06.12.18 at Government School, Edayansathu, Vellore-2. All our UG, PG and M.Phil Chemistry students were actively participated in this event.

The objective of this school visit was

- ❖ To motivate the school students in the field of science especially in chemistry.
- ❖ To encourage the students and also to provide a perfect platform for the students to gain extra scientific knowledge.
- ❖ To become aware of the recent innovations in field of Science.

The following activities were successfully being conducted in this extension activity

- ❖ Skits,
- ❖ Exhibitions
- ❖ Quiz competitions
- ❖ Cultural
- ❖ Games

### **Skits**

Two Skits were performed by the students focussing on the Demerits of the Fast food items and Advantages of Natural herbs in cosmetic field. The students were encouraged and motivated towards “Traditional food” and “Protection of the nature”. Audience enjoyed a lot and they expressed their ideas.

### **Exhibition**

Exhibition was conducted about the causes and remedies of different types of pollution, human physiology, wastewater treatment methodologies, general awareness about disadvantages of plastics, science, medicine, physical mechanism of working engine and also certain natural beauty tips were given by all our UG and PG Students.

### **Quiz Competition**

Quiz competition was conducted among the students. Totally 10 teams were involved actively, IQ and EQ based questions were asked. Students were participated more enthusiastically and dynamically. Out of 10 batches, best three teams were selected for first prize, second prize and third prize.

### **Culturals**

In this high tech world, in order to relax and refresh the school students, certain entertainments like dance and singing were done among them. Students were enjoyed a lot in seeing their performances.

### **Games**

Games were conducted for the students to enhance the physical activity and also to refresh them.

On behalf of Department of Chemistry, D.K.M College for Women, our respected Head of the Department of Chemistry Dr.M.Nagarathinam expressed sincere gratitude to Mrs. Satyamabama, Headmistress, Government School, Edayansathu, Vellore, Teaching and Non Teaching staff of Government School, Edayansathu, for providing opportunity to give such a wonderful program to the students. All of them expressed their gratitude to us and finally the program ended with the National Anthem.
