All are cordially Invited

Management, Principal, Staff and Students

## **REPORT**

Department of Zoology conducted science week celebrations from 22.02.2022 to 25.02.2022 to enhance scientific knowledge and to promote science and technology among school students. In view of this all the museum specimens containing animal spotters from phylum Invertebrata and Chordata were displayed. Charts representing life cycle of various animals and anatomical systems were displayed. Osteology related specimens including the entire human skeleton, skull of human, horse, buffalo , dog created excitement and enlightened the students. Various instruments like BP Apparatus, Haemoglobinometer, Kymograph, Stethoscope, PCR, Anemometer, Hygrometer, Wet and Dry Thermometer, pH Meter and Agarose gel electrophoresis were demonstrated to impart knowledge on its applications.

On day 1, dated 22.02.2022, 45 students from class IX and XI and three teachers of V.V.N.K.M Senior Secondary School visited our Lab.

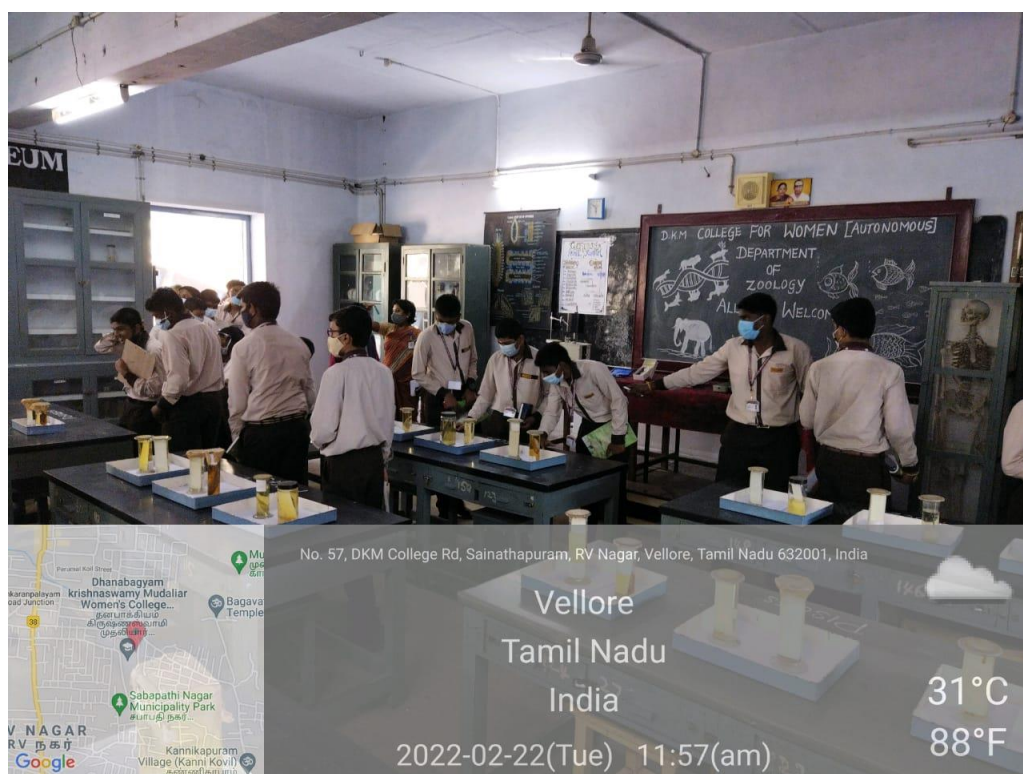

On day 2, dated 23.02.2022, 47 students from class VIII and two teachers of V.V.N.K.M Senior Secondary School visited our Lab.

On day 3, dated 24.02.2022, 57 students from class XI and one teacher of N.K.M Higher Secondary School visited our Lab.

On day 4, dated 25.02.2022, 114 students from class XI and one teacher of N.K.M Higher Secondary School visited our Lab.
