

➤ Science Exhibition on Basic Sciences on 22.08.2016

The **Science Exhibition on Basic Sciences** was organized by Department of Physics, DKM College for Women (Autonomous), Vellore on 22nd August 2016. The projects were exhibited in the Physics Lab. Students from I B.Sc., Chemistry and Mathematics were participated. About 28 groups (two per each group) were participated and presented their project.

Dr. R. Vadamar, Assistant Professor, Department of Physics, DKM College for Women, Vellore and **Dr. J. Shanthi**, Assistant Professor, Librarian, DKM College for Women (Autonomous), Vellore were inaugurated the exhibition and valued the presented projects. Best three groups were selected and got prizes. The exhibition was interesting and students got lot of information and they explained a lot regarding their projects.
