

D.K.M COLLEGE FOR WOMEN (AUTONOMOUS), VELLORE-1

DEPARTMENT OF PHYSICS

4th SCIENCE PARK

Department of Physics organized 4th Science Park (Science Exhibition) in our college on 28th August, 2018. The objective of this Science Park is to promote curiosity in *Science and Technology* among budding scientists and to encourage scientific and technological creativity among students and inculcating a sense of pride in their talent.

Nearly 40 exhibits were presented by the UG and PG students from our college and nearby institutions from Vellore. The science exhibition was inaugurated by the Principal Dr. P. N. Sudha and Dr. M. Saravanakumar, Assistant Professor, Department of Physics, Government Muthurangam Arts College, Vellore, was acted as Chief Guest for this event. He judged and announced the five best exhibits awards. Metals were given to the best exhibits and the participation certificates were given to all the participants.

Best Exhibits

It is the great opening for the budding scientific community. Staff members and Supporting Staff did an incredible job. and They have to be appreciated. It creates awareness and interest and I wish the management and administration to continue such work.

Best Exhibits :-

- 1) R. Rohini priya & M. Sowmea (I Maths)
- 2) A. Swathi & M. priya (I Maths)
- 3) A. Naayema Fazeen (I Chemistry)
- 4) D. Ramya & N. Sangari (A.A.A college)
- 5) R. Manju priya & L. Divya (A.A.A. College)

CHIEF GUEST

Dr. M. Saravana Kumar
