WORKSHOP CUM HANDS-ON TRAINING

On

“DETECTION OF FOOD ADULTARANTS”

Date: 4th OCTOBER 2019

Time: 10.00 am

Venue: UG CHEMISTRY LAB

By

Staff and students

Workshop cum hands on training was conducted by the Department of Chemistry on 4th October 2019. Dr.M.Nagarathinam, head of the department of Chemistry inaugurated the programme and gave a brief introduction about the workshop. She explained about the causes and the types of food adulteration. She also talked about the health hazards of food adulteration in detail.

Dr.S.Santha Lakshmi and Dr.S.Sashikala demonstrated various methods of detecting adulterants in food. 52 students of III-B.Sc., Chemistry participated in the program. Hands-on training was given to the students for detecting the adulterants present in various food samples. The observations were recorded and submitted by the students.
