

D.K.M. College for Women(Autonomous) Vellore-1

Department of History

Tree plantation 2018-2019

Report

As a part of extension activity Department of history III year B.A. students (60) went to Kaniyambodi Amaithi Poonga on 2018 . Nearly 3000 the palm seeds were collected in and around by the students. They planted all the seeds in Amaithi Poonga school for the children of stone quarry workers, Kaniyambodi with the help of farmers of that village. Students were accompanied by Lt. Dr. A. Amirthavalli Hod of History Department. It is a good motivation for the students to follow the hobby of plantation even in future to protect our natural environment.
