

**D.K.M COLLEGE FOR WOMEN (AUTONOMOUS),VELLORE - 632001**  
**MHRD-IIC & DST-FIST INSTRUMENTATION CENTRE**

**Report of Workshop on “Instrumentation”**

**Held on 01.12.2021 & 02.12.2021**

A two days’ workshop on “Instrumentation” was conducted by MHRD-IIC & DST-FIST Instrumentation Centre, D.K.M. College for Women, Vellore, on 1<sup>st</sup> and 2<sup>nd</sup> December 2021 at Kaveri Conference Hall.

**INVITATION**

**Note:** Due to heavy rain 8<sup>th</sup> November 2021 declared as a holiday and the event was conducted on 1<sup>st</sup> and 2<sup>nd</sup> December 2021.

**Theme:** • To train the staff and students on “workshop on “Instrumentation”

**Workshop objectives:**

- To enhance the quality of the project by PG, M. Phil, research scholars as well as industries.
- To explain the uses and applications of various spectroscopic and analytical techniques for students, teachers and technical personnel from affiliated institutions, universities and industries.

**Workshop outcome:**

- To help students and research scholars to learn the handling of spectral instruments and its applications along with interpretation.
- The participants also received good knowledge on workshop on “Instrumentation”

Totally 230 students, research scholars and staff members belonging to various science disciplines such as Chemistry, Zoology, Biotechnology, Biochemistry and Microbiology participated in the workshop. The inaugural function started with a Thamizh Thai Vazhthu. Dr.S.Santha Lakshmi, Assistant Professor of Chemistry welcomed the gathering and explained about the various instrumental facilities available in the DST-FIST lab. Inaugural address was given by Dr, P.N. Sudha, Principal, Coordinator of DST-FIST, and D.K.M. College for Women, Vellore. Madam said that such a workshop not only provide a great way to recognize the skills and knowledge they possesses, also tend to learn latest information, techniques, new skills. She motivated the young students scientists to take up interdisciplinary research in future.

Dr. S. Sashikala, Assistant Professor of Chemistry proposed a vote of thanks for the inaugural session.

In the forenoon session, the final year UG Chemistry and Zoology students were divided into 4 groups and taken to the Instrumentation Centre in batches. In the DST-FIST Instrumentation Centre, the staff in-charge of the instruments gave demonstrations about the working principle, operating procedure and applications of individual instrument in an excellent manner.

In the afternoon session, the UG Biotechnology, Biochemistry and Microbiology were divided into 6 groups and taken into Instrumentation Centre.

In the second day (02.12.2021) of the program, the students of PG Chemistry, Zoology, and Biotechnology, Biochemistry and Microbiology and the Research scholars were taken to the Instrumentation Centre in batches as above mentioned manner.

The list of staff in-charge involved in the demonstration is given below.

UV-Visible Spectrophotometer	Dr. N. Dhanam, Assistant Professor of Chemistry Dr. J. Illamathi, Assistant Professor of Biotechnology
FT-IR	Dr.S.Santha Lakshmi & Dr.R.Aruna Devi Assistant Professors of Chemistry
Atomic Absorption Spectrophotometer	Dr.S.Sashikala and Dr. T. Gomathi. Assistant Professors of Chemistry
Auto analyser	Dr. V. Prabha, Head and Assistant Professor of Biochemistry Dr. A. Vinothini Assistant Professor of Zoology
Lyophiliser	Dr. V. Rekha, Assistant Professor of Zoology. Dr. A. Vidhya Head and Assistant Professor of Microbiology.

Feedback was obtained from the participants. All the 230 participants from the various departments of aided and unaided streams gave a positive feedback about the workshop and asked to conduct more number of such programs in future. The students appreciated the teacher's demonstration about the instruments. Finally, e- certificates were issued to the participants.
