

DKM COLLEGE FOR WOMEN(AUTONOMOUS), VELLORE-1

DEPARTMENT OF BIOTECHNOLOGY

GUEST LECTURE ON GENE THERAPY

CONDUCTED ON 11.09.2017

D.K.M COLLEGE FOR WOMEN

YOU ARE INVITED

THE DEPARTMENT OF BIOTECHNOLOGY IS

ORGANIZING AN INVITED LECTURE ON

“GENE THERAPY ”

INVITED SPEAKER

Dr. R. SRINIVASAN

INTERNATIONAL CENTRE FOR GENETIC ENGINEERING

AND BIOTECHNOLOGY, NEW DELHI.

VENUE: 11.09.17, KAVERI CONFERENCE HALL, 3.00 - 4.00 PM

Guest lecture has been conducted was conducted in Department of Biotechnology, DKMC, Vellore, on 11th September 2017 about Gene therapy. The resource person was Dr. R. Srinivasan, International Centre for Genetic Engineering and Biotechnology, New Delhi. He has explained about gene therapy trials and its tremendous potential application of this technique to the treatment of human hereditary diseases, particularly single gene disorders. Totally 154 students were participated and benefited.

Guest lecture was given by Dr.R.Srinivasan, International Centre for Genetic Engineering and Biotechnology, New Delhi.
