*Time : 2.00 - 5.30 pm*

The Department of Biotechnology, D.K.M. College for Women organized a Guest Lecture on “Human Relationship and Interpersonal Communication” on 7th September 2018 in Kaveri hall which is inside the college premises. The main objective of the guest lecture was to nourish the students with values of human relationship and develop their interpersonal communication skills. The Guest speaker was Mr. Stalin, Senior Health Educator (Rtd), Rusha Department, CMC, Vellore. The event started with welcome address followed by Guest Lecture.

During the talk, Mr. Stalin emphasized the importance of developing good relationship among humans. He talked about the disturbances and distractions, the girls face in their teenage and he also gave them the solutions to overcome these problems. He also motivated the students to have a healthy relationship with their friends and teachers. He also instructed the young minds about developing effective interpersonal communication skills. The lecture was received with admiration by the students and they also found the slides appropriate. The event ended with vote of thanks.
