DAY 1 SESSION 2:

TITLE:“ IMPACT LECTURE SERIES ON TRADITIONAL SEED COLLECTION AND ITS SPREAD”

**RESOURCE PERSON: MR. PARAMESWARAN,
CEO OF AADHIYAGAI MARABHU VIDAHIGAL MAIYAM,
OTTANCHATHIRAM.**

PROGRAMME OBJECTIVES:

- Motivating and making the staff and students to get to know about “**New Organic products in entrepreneurship**”.
- To make the students involve in organic farming and it’s related field in entrepreneurship.

REPORT OF THE PROGRAMME:

Ministry of Human Resource Development & Institutional Innovation Council of D.K.M college for Women (Autonomous), Vellore has organized one day virtual programme on “**Impact Lecture Sessions**” on 25.09.2021 from 10.00 A.M. to 1.00 P.M. for the students of D.K.M College for Women. The second session was on “Traditional seed collection and its spread”. The programme was conducted through Google meet (online platform) and it was also streamed in YouTube. More than 300 students and faculties registered for the programme. 97 participants took part in Google Meet and around 300 Students including the faculty from various departments of the college participated in You Tube Streaming.

Dr.P.N.Sudha, the Principal, D.K.M. College for Women presided the session and encouraged the participants. Prof. A.Amirthavalli, IIC president delivered the welcome address. Dr.N.Dhanam, Assistant Professor, Department of Chemistry introduced the resource person of the day Mr. Parameswaran, CEO (Aadhiyagai Marabhu Vidahigal Maiyam), Ottanchathiram.

In this session Mr. Parameswaran, CEO (Aadhiyagai Marabhu Vidahigal Maiyam) spoke on the topic “Traditional Seed Collection and its Spread”. He focused on the importance of preserving traditional seeds of Vegetables and fruits in Tamilnadu. He pointed out about his crops that can withstand severe drought conditions because of their nature that adapts to his arid region. Apart from growing chemical-free food, he also created a seed bank named Aadhiyagai. More than 300 native vegetable, fruit seeds collected and documented over the past five years, and now he distributes them to farmers in the neighbourhood and youngsters in cities and towns.

He insisted on preserving the native breeds and cultivate indigenous varieties of tomatoes, chillies,

winged beans, clove beans, sword beans, ladies finger, bottle gourd, snake gourd and brinjal from Tamilnadu.

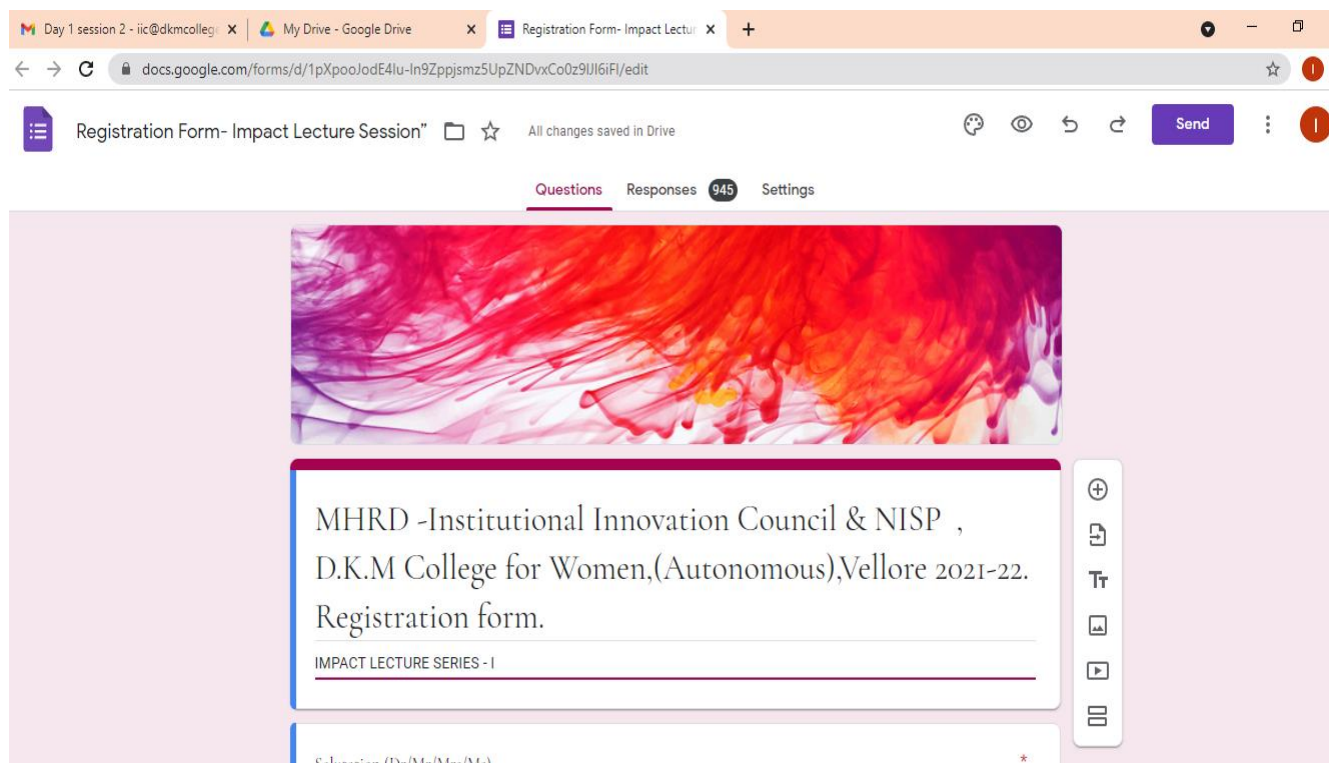

PROGRAM OUTCOME

- The participants received good knowledge of the variety of native organic products and its seeds available in Tamilnadu.
- The staff and students were able to understand the rich heritage of Tamilnadu organic farming techniques and its ways to preserve agricultural products.
- Students were also given ideas on fundings available for farming.
