**Report of the activities of Chemistry association for the academic year 2017-2018**

The college union and the allied association were inaugurated on 14.07.2017 by Dr. I. Stanley Jones Karunakaran.

The office bearers of the association are :

**President : Dr. P.N. Sudha, Principal**

**Vice-President : Dr. N. Thenmozhi, HOD & Associate Professor of Chemistry**

**Secretary : J. Meena III B.Sc., Chemistry**

Under RUSAC (Rural Society for the Advancement of Chemistry) an intercollegiate paper presentation was conducted on 16<sup>th</sup> December 2017, on the topic **“Role of Chemistry in Medicine”**. About 50 students from various colleges participated in the programme.

The activities of the association commenced with an extreme achievement into slogan writing on the topic **“Rain water harvesting”** and the prize winners are:

- |                     |              |          |
|---------------------|--------------|----------|
| 1. K. Akshaya       | I Chemistry  | I Prize  |
| 2. S.A. Mahalakshmi | II Chemistry | II Prize |

Essay writing on the topic **“Accidental Discovery In Chemistry”** and the prize winners are:

- |                     |               |           |
|---------------------|---------------|-----------|
| 1. V. Sandhiya      | II Chemistry  | I Prize   |
| 2. S.A. Mahalakshmi | II Chemistry  | II Prize  |
| 3. K. Susithra      | III Chemistry | III Prize |

Debate was conducted on the topic **“Which is More Hazardous Industrial Waste or Biological Waste”** and the prize winners are :

- |                      |               |         |
|----------------------|---------------|---------|
| 1. C.M. Sandhiya     | III Chemistry | I Prize |
| 2. S.B. Thilagavathy | II Chemistry  | I Prize |

An extension activity was conducted by the Department of Chemistry at Government Higher School, Edayansathu Village. Our students actively participated and organized fun projects, exhibition, posters, drama and dance on the topic **“Environmental Pollution and Its Prevention”**.

The best exhibits and the poster were awarded prizes. and the prize winners for the poster were:

- |                     |              |           |
|---------------------|--------------|-----------|
| 1. V. Sandhiya      |              |           |
| V.A. Pavithra shree | II Chemistry | I Prize   |
| S. Ashwini          |              |           |
| 2. S.A. Mahalakshmi | II Chemistry | II Prize  |
| 3. K. Akshaya       | I Chemistry  | III Prize |

and the prize winners for the best exhibits were:

- |                  |               |           |
|------------------|---------------|-----------|
| 1. S. Devi       |               |           |
| G. Meena         | III Chemistry | I Prize   |
| M. Mohana        |               |           |
| 2. A. Afrin Banu | II Chemistry  | II Prize  |
| 3. K.Sona        |               |           |
| P. Asha          |               |           |
| T. Shobana       | II Chemistry  | III Prize |
| J. Soundhari     |               |           |
| S. Sandhiya      |               |           |

The PG And Research Department of Chemistry has organized **IV- National Conference On "Emerging Trends In Chemical And Biological Science"** on January 5<sup>th</sup> 2018. Dr. K. Subramani, Associate Professor of Chemistry, Islamiah College, Vaniyambadi, gave the inaugural address.

Keynote addresses were given by Dr. Sethuraman, Professor of Chemistry, Director IQAC, Gandhigram Rural Institute, Gandhigraman on the topic "**Newer Chemical Entities as Therapeutic Agents**" and Dr. Suresh Babu, Scientist, Dr. Reddys Laboratories Ltd., Hyderabad on the topic "**Process Chemistry: Introduction and Innovation**". Papers were invited and 45 papers were presented by the research scholars on various topics. A souvenir was also released during the conference. The accepted papers were published in the U.G.C. approved journal namely, **World Journal of Pharmaceutical Research**.

Today we are very proud to have Dr. K. Sumathi, Assistant Professor, Department of Material Science as a chief guest to deliver the keynotes address on the topic: "**Current Trends And Future Perspectives In Chemistry**". Madam, we thank you whole heartedly for your presence here do enlight and encourage out students.
