REPORT

Department of Management Studies has conducted Association meeting on 25.04.2021 from 3 to 4 pm at D Block Conference hall. The resource person was Dr.Beula Suresh, HOD and Assistant Professor, Department of Business Administration , Auxilium College, Vellore.

The meeting started with a silent prayer followed by welcome address by Mrs.R.Maheshwari. The chief guest introduction was given by Dr.V.S.Palaniammal, Head of the Department. The programme was fully organized well by the faculty members Mrs.A.Rama, Dr.E.Veronica and Mrs.P.Shobana Gayathri.

The resource person spoke about Life **style Management** which is the need of the hour. She insisted on managing life and work. She also talked about how much important our life is. She also focused on how much we should give importance to life and work.

The resource person expressed deep concern about being a female, we should focus on life and keep away from distractions like social media and other online media. She also said how these online issues spoiling the minds of young people.

The resource person also expressed how we should respect our life and thank god for giving us an opportunity to get education. We should thank our parent for giving us such a wonderful life. She also said , students should think of their parents before doing any kind of activity which might harm their sentiments.

The students must know the capacity of their parents . They should not put any kind of burden on their parents. She also spoke about the sacrifices made by their parents and should show gratitude towards them for giving them an opportunity to get higher education.

Students must learn to value their life. They should concentrate on education and profession at this age. They should try to learn good things from social media and move on with good things. She also stressed about that , the students should not depend on others and they should get into some profession. She also expressed how to manage work and life.

The students must learn to adjust in life. They should not expect from life and they should try to accept whatever be the situation. She also said about the responsibility the students should hold towards society and they should do something good for the society. The student should actively participate in extension activities and they should contribute towards the betterment of the society.

The resource person ended her speech by a wonderful saying,

“Life is precious, preserve it , value it”

Finally vote of thanks was proposed by Mrs.A.Kalaiselvi.
