Institutional Innovation Council – 5.0, DKMC

MHRD IIC, Department of Biochemistry & Microbiology

Special talk on

Motivational session by a Successful Entrepreneur/ Startup Founder

Date: 24.11.2022

Venue: Kaveri Hall

Time: 02.00 am – 3.00 pm

Name of the Programme: Motivational session by a Successful Entrepreneur/ Startup Founder

No. of Beneficiaries

Students from offline:198

Students from online: 83

Date: 24.11.2022

Venue: Kaveri Hall

D.K.M COLLEGE FOR WOMEN (AUTONOMOUS), VELLORE -1

MHRD Institutional Innovation Council – 5.0, DKMC

Programme agenda

24.11.2022

Silent Prayer

Welcome address: Dr. A. Vidhya

Inaugural address:

Introducing the Chief Guest: Dr. A. Vidhya

Resource talk: Mrs. K.Deepalakshmi, Managing Director, Katpadi.

Vote of thanks: Dr. B. Hebsibah Elsie

Master of ceremony:

| Organizing Committee members | |
|-------------------------------------|--|

Programme objectives

1. To motivate the students to become an entrepreneur
2. To make students aware of practicing organic farming.

Report on: My Story- Motivational session by a Successful Entrepreneur/ Startup Founder

MHRD, IIC, Department of Biochemistry & Microbiology DKMC conducted a special talk on My Story- Motivational session by a Successful Entrepreneur/ Startup Founder on 24.11.2022 at 2.00pm to 3.00 pm as per IIC 5.0 calendar activities for the year 2022-2023. The resource person for the special talk was Mrs. K.Deepalakshmi, Managing Director, Katpadi. The special talk was conducted through Google Meet and a live stream was telecasted through YouTube.

The programme started with a silent prayer followed by the welcome address by Dr.A. Vidhya and introduced the chief guest Mrs. K.Deepalakshmi, Managing Director, Katpadi. The talk focused on explaining the entrepreneur and start up founder.

In the entrepreneurial world, the term startup founder is generally used to describe someone who is building a business in the initial stage. They do not have a well-established market for their product or service. The business of the startup founder is completely new and new markets are expected to be developed in it. Entrepreneurs are those who start their own business and then start to develop it into a well-established and large business. They must be prepared to face challenges as well as opportunities in their lives.

Mrs. K.Deepalakshmi, explained about preparing panchakavya, fish amino acid, mooligaipoochiviratti, cold press groundnut oil, coconut oil & sesame oil. Seasonal greens and vegetables.

A total of 300 students from Biochemistry and Microbiology department of DKM College participated in the program. 89 members participated through the Google meet. About 554 participants listened through YouTube live streaming. Nearly 198 students gathered in Kaveri hall to attend the program, by offline mode. Dr. B. Hebsibah Elsie, Assistant Professor in Biochemistry proposed vote of thanks at the end of the program. The special talk provided a good platform to understand about the process of becoming an entrepreneur.

Programme outcomes

1. The students got idea to become an entrepreneur in the field of organic farming.
2. The students got awareness on the methods of organic farming.

Programme Co Ordinators
