Report

30 NCC Cadets of D.K.M College for Women (Autonomous), Vellore cleaned Palar river on National Pollution Control day (02.12.2022). National Pollution Prevention Day is observed on 2nd December in India. This day is observed in the memory of people who lost their lives in Bhopal gas calamity. Bhopal gas tragedy occurred in the year 1984 on the night of 2–3 December. It focuses on preventing pollution and raising awareness about the ways we keep exploiting Mother Nature.

This day is observed to create awareness among people to prevent any industrial disasters and to encourage people and industries to adopt pollution control measures to create awareness about environmental pollution.
