**JOY OF GIVING
EXTENSION ACTIVITY
REPORT**

The joy of giving leads to a happier and healthier life. In fact, generosity sets off a series of reaction in our brain that improves good mood, reduces stress, boosts overall physical health, builds self-esteem, and even helps you live longer. The event joy of giving was started by collecting donation from the students of our college who volunteered themselves in donating the items in the form of biscuits, chocolates, blankets, towels, soaps, combs, shampoos, oils, dresses, face powders, etc., These items were collected from 15-10-2022 to 18-10-2022. The committee members reached the village on 11.00 A.M. The programme of Joy of Giving was conducted to share happiness. The items which were collected from the students were handed over to the President of the Sekkanur village and the items were distributed to the poor peoples.
