- ❖ **Date: 10/07/2022**
- ❖ **Venue: Memorial Pillar & Vellore Fort**

Report

10 NCC Cadets of D.K.M College for Women participated in Vellore Sepoy Mutiny Day held at Makkan junction on 10.7.2022. Tamil Nadu governor RN Ravi laid a wreath at the Memorial Pillar at Makkan Junction and addressed the INA veterans, ex-servicemen, family members of freedom fighters, NCC cadets, and students at Vellore Fort.

The Governor said that Vellore Mutiny seeded the fire of freedom nation-wide, which eventually led to India's freedom. In this war, Indian soldiers from all over the country fought the British together.

Vellore has made immense contributions to our military and thereby defending the integrity and security of the Nation. He said that Tamil Nadu is Veer Bhumi and has given many freedom fighters like Veeramangai Natchiaar, Pulithevan, Veerapandiya Kattabomman, Theeran Chinnamalai and many.

India was systematically ruined by the British who tried to divide our people along several imaginary lines, he said, adding that how the geographic segments of India, North and South of Vindhya Range known as Panch Aryas and Panch Dravidas, were turned into racial divide to weaken the unity of the country.

While leaving India, the British not only partitioned the country but left some 600 independent countries within Bharat. He thanked Sardar Patel for uniting the country by removing the artificial and sinister divide of it. The Governor urged people on this solemn day at the Veera Bhoomi (valiant land) of Vellore, to contribute towards nation's progress.

He also urged the students to utilise the ample opportunities available in Modern India to succeed and dream big, thereby to make the nation a Great India as 'Ore Bharatham, Unnatha Bharatham'. District Collector P Kumaravel Pandian, SP S Rajesh Kannan, and other officials were present on the occasion.
