## Report

NCC & NSS Organised Deepavali Celebration on 21.10.2022 in the open auditorium at 12.00p.m. Police Officers from fire extinguish Department were invited and they demonstrated the safety measures to followed while celebrating Diwali. They spoke about the different methods of safety method, how to extinguish the fire, How to do first aid if a person met with fire accident. They trained cadets on how to extinguish fire. The Cadets also created awareness to students to burst the crackers in the allotted time in a safe manner and not near hospitals, Schools and places of worship. They also advised not to burst the crackers that produce more than 125 decibel of sound as the environment protection act.
