OUR PLEDGE

India is my country.

All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage.

I shall always strive to be worthy of it.

I shall give my parents, teachers and all elders, respect and treat everyone with courtesy.

To my country and my people
I pledge my devotion.

In their well being and prosperity alone lies my happiness.

MOTTO EXPLANATION

The motto of the College is "Act, Arise and Activate" which is effectively symbolized by the College Emblem. The Emblem has four components viz. a tyre and a hand holding a hammer, a pair of hands pouring forth coins, young women in academic robes and a lamp burning bright.

The tyre and the hand with hammer stand for hard work, the pair of hands pouring forth coins and the group of young girls in academic robes symbolize wealth generated through hard work and the same being utilized for educating the youth respectively. The lamp symbolizes the aim of the college which is to dispel the dismal fumes of ignorance and hope for the future.

PROFILE OF THE COLLEGE

D.K.M. College for Women (Autonomous), Vellore established in the year 1972 is a pioneer institution in providing quality and need based education for fifty glorious years now. The institution was founded by Amaran Vellore Vallal N. Krishnaswamy Mudaliar, a noble soul whose life mission was the upliftment and empowerment of the downtrodden and socially backward women. The laudable vision of the founder was concretized through the foundation of the NKM Trust, which manages the various educational institutions in its ambit.

Under the able guidance and leadership of Dr. Thiru T. Sivakumar, M.A., President and Thiru D. Maninathan. B.E., Secretary who proved worthy of the mantle inherited, the college has prospered and touched the milestone of 50 golden years of service in the field of Higher Education.

At present D.K.M College for Women offers 19 UG courses (5-Aided, 14 unaided), 12 PG courses (unaided), and 14 Ph.D., courses (Full Time & Part Time). The College has a longstanding tradition of academic excellence and this is sustained by the advanced facilities available in the campus. The college has been reaccredited by (UGC) NAAC in 2016 and got autonomous status in 2006-07. As a compliment for the excellent academic atmosphere prevalent in the college, the UGC has given autonomy extension for the next six years (till 2020).

Placement Cell

Through the Placement Cell, campus interviews are arranged frequently. The placement cell works with perseverance and a sense of responsibility to prepare the students to face the growing challenges of the world with educational qualification, mental ability and professional fitness, which will enable the students to get placements. Many of our past students now occupy coveted positions in India and abroad in the field of Science, Technology, Indian Administration services, the uniformed services and so on, all vouching to the quality of education available in this campus.

Alumni

Students become members of the alumni association, when they graduate. The college strives to have continued links with its alumni after graduation and throughout their career. For further information on these services, kindly visit the college website. The Alumni have donated for the purchase of Incinerator and Xerox Machine

Computer Lab

In keeping with the progressive and qualitative initiative of the college in its teaching and learning, a modern computer lab is established which has more than 296 computers and there are computers in the library, and staff rooms with Wi-Fi connectivity and Rail wire internet connection to meet the growing network access demands. The college has a well equipped network infrastructure also.

Hostel

To ensure the safety of women students, the college hostel is situated within the college campus.

Identity card

An identity card incorporating the students' Roll number, Photograph, Blood group, Residential Address and course of study has been issued to the students. The student should carry this card at all times.

Notice board

The college has a number of notice boards on which a Thought for the Day and important messages which are relevant to the students are displayed. 'A' block has a notice board for the exclusive display of examination time tables.

Cash awards and Endowment awards

The college management encourages students by cash awards on 'Teachers' Day' to the meritorious students every year, which in turn, has greatly increased the competitive spirit among the students. The number of students eligible for such awards is increasing year by year.

Similar awards are also given out to the graduates, and to the departments producing 100% results on the convocation day every year. This serves as an incentive for the staff to work diligently and a healthy competition prevails among the departments as well as among the students.

DKMC Enviro Club

In order to create environmental awareness among the youth, the DKMC Enviro Club was established in the year 2004-05 where teaching staff and students are acting as members. By the efforts of the enviro club the college has Zero waste and as a result IIC - NISP & Red Cell, DKMC has become a model College in waste management in Vellore district.

Entrepreneurship Development Cell (EDC)

The Entrepreneurship Development Cell was established during the year 2009-2010 under the guidance of Centre for Entrepreneurship Development CED (Tamilnadu) Madurai. The purpose of Entrepreneurship promotion is "To bring the best out of the individual". The Govt. of India has been addressing on the importance of developing entrepreneurship skills in an individual right from the time the student enters into the college. The Department of Science and Technology (DST), Govt. of India is partially funding the conduct of Entrepreneurship Awareness Camp for 2 or 3 days in the college. The trained nodal officers in-charge of the EDC are conducting Training and Awareness Programme in our college every year for the benefit of the students.

DKMC IIC COUNCIL

The Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' in the year 2018 to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The Institutional Innovation Council, in DKMC was established in the same year to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes. We were one of the first Arts and Science colleges in Vellore district to establish during that year. Our College students took part in the Hackathon competition and submitted two proposals. IIC DKMC was ranked with Three stars during the year 2018-19. IIC implemented NISP in the campus during the academic year 2019-20. The New NISP Policy was framed providing seed money to deserving proposals in order to encourage students for their start-ups and Innovation in 2020-2021, Our College IIC had a tie-up with Mahatma Gandhi Rural Development Cell, Government of India as most of the students are from a rural background. Intensive Training and motivational sessions are conducted by the experts to encourage start-ups and patent filing with the knowledge on Intellectual Property rights. Five different start-ups based on the NISP Policy are started in our College.
