INDUSTRIAL VISIT

17.04.2023

Sri Aurobindo Handmade Paper Mill

Puducherry

Name of the Programme: INDUSTRIAL VISIT

No of Beneficiaries: 48

Date: 17.04.2023

Venue: "SRI AUROBINDO HANDMADE PAPER MILL" PUDUCHERRY

REPORT

Department of Management Studies has arranged an Industrial visit for their UG final year students on 17th April 2023 at Sri Aurobindo Handmade Paper Mill, Puducherry.

The whole visit was arranged by Dr.V.S.Palaniammal, Head and Assistant Professor.

A tourist bus was arranged for the visit. On the day of visit students started coming to college around 5 am. A small pooja was conducted and the journey started with full enthusiasm.

After a joyous journey of around 3 hours to Puducherry students reached the company around 10 am.

Aurobindo Handmade Paper Mill was inaugurated in 1959 with an aim to protect our heritage craft of hand paper making. In this factory paper is being made using 100% cotton rag which they get it from Tirupur District, known for textile business. In this company, each sheet is hand lifted, pressed and dried with care using age old paper making techniques. The paper is beautifully textured, acid free and durable. The handmade paper can be suitable for archives and conservation, stationery, calligraphy, printing and book binding.

D.K.M COLLEGE FOR WOMEN (AUTONOMOUS), VELLORE

After a detailed visit to all the sections of this company students were delighted to see how paper is being made with hand. They learnt a lot about handmade paper process during this visit. They were allowed to see the products displayed in the company for sale. Some students even bought those handicrafts for personal use.

After the industry visit and a delicious lunch students were taken to Veerampattinam Beach in Puducherry. Students really had a good time in the beach and they enjoyed a lot. Even in scorching heat waves they had a wonderful time together at the beach.

Around 4 pm the bus started from Puducherry and all the students reached Vellore around 9 pm with lots of learning and memories.

Around 48 students were benefitted from this industrial visit.
