ACADEMIC YEAR 2021-2022

REPORT ON THE WEBINAR ON

“Processes of Innovation development and Technology readiness”

**Organized by MHRD Institution’s Innovation Council (IIC) & PG & Research Department of
Microbiology, DKM College for Women, on December 1st, 2021**

The Webinar on Processes of Innovation development and Technology readiness” was organized by MHRD Institution’s Innovation Council (IIC) & PG & Research Department of Microbiology, DKM College For Women, on December 1st, 2021. Around 200 members have registered for the webinar and the proof for this has been given below as screen short of the google registration form of this Webinar. Google meet id and YouTube link were sent to the registered participants through the registered email id.

OBJECTIVES

The objectives of the webinar were:

- To inculcate the participants in developing innovations by creating new ideas and implementing the idea into a successful concept.
- To impart knowledge of developing new idea to become a successful entrepreneur. The result, it is hoped, will be to the benefit of the students, researchers and society.

PROCEEDINGS

WELCOMING AND OPENING CEREMONY

The webinar started with the **Welcome address** by Dr.A.Vidhya, Head, PG and Research Department of Microbiology, DKM College for Women, Vellore. The **Introduction of Invited speakers** to the delegates was done by Mrs. S. Arunadevi, Asst Prof in Microbiology.

This session was taken over by the invited speaker **Dr.T.Augustine Arul Prasad**, Assistant Professor in Chemistry, D. G. Vaishnav College (Autonomous), Chennai. He addressed about the Innovation matrix – Incremental innovation, sustaining innovation, disruptive innovation and radical innovation.

- 10 innovations that are improving lives and
- Testing for innovations

CLOSING CEREMONY OF THE INTERNATIONAL WEBINAR

The webinar concluded with **vote of thanks** by Mrs. A.Barathi, Assistant Professor, PG and Research Department of Microbiology, DKM College for Women followed by **National Anthem**.

OUTCOMES AND RESULTS

This conference would have quenched the scientific thirst of many participants and made them to get a wide knowledge about the various types of innovations.

This webinar forum would have definitely reinforced the delegates from various fields to think on developing innovations.
