(Accredited by NAAC with A Grade)

Programme Objectives:

- The main objective of this seminar is to make students aware of legal issues and ethical steps while starting any kind of new ventures.
- Every business needs to be conducted in a ethical manner.
- Start ups may require licences, permissions or permits to execute their ideas.
- Proper licencing in every business is needed to avoid criminal offences.

Program Outcomes:

- Students were able to learn about various legal issues related to startups.
- The programme helped the students to know about the proper way to obtain permit or licence before any start up.
- Students also understood the importance of ethical codes to be followed while pursuing any kind of start up.
