Introduction

Tally is accounting software that is very much useful in making calculations in small and midlevel businesses. Tally is helpful to do all the Banking, Auditing and Accounting Works using this software. Tally's accounting features permit you to record business transactions instantly and easily. Record transactions necessary for business by creating and maintaining vouchers, masters and generating reports. It helps to manage all the major accounting operations in business. It usually stands for Transactions Allowed in a Linear Line Yards.

Tally Prime

Tally Prime is a GST ready comprehensive business management software that cater to all business requirements, ranging from accounts, finance, payroll to GST and much more.

Tally is a renowned and leading accounting software used by many companies the world over, DKMC, Department of Commerce in association with 'VIS Education and Training Company, Vellore jointly conducts Tally certificate course for B.Com final year students. 70 students from the department have enrolled for the course.

Dr.R.K.Vimal Nandhan is the founder of VIS Skill Training. VIS Skill training is started with a vision to provide quality skill training to students, graduates and job seekers at an affordable cost.

Dr.R.K.Vimal Nandhan acted as resource person and he delivered lecture to provide quality training in the areas of Accounting, Taxation-GST & TDS, payroll management and inventory management. Partnership for all the students is ensured inpartnership with Tally Job Portal & Tally solutions Partners.
