REPORT

The Department of Mathematics organized competitions as part of its Association Activity on October 15, 2024, starting at 9:30 a.m. The event commenced with a welcome address delivered by Ms. M. Sowbarnika, Secretary of the Mathematics Department, III B.Sc. Mathematics.

The program included Paper Presentations, Poster Presentations and a Quiz Competition. A total of 22 students actively participated in the Quiz Competition. Five students presented papers on various topics, including *Applications of Mathematics in AI*, *Vedic Mathematics*, and *Real-Time Applications of Mathematics*. These presentations highlighted the participants' skills and demonstrated the practical relevance of Mathematics in diverse fields.

Additionally, ten teams participated in the Poster Presentation, showcasing their creative talents on topics such as *Mathematical Fallacies* and other Mathematics-related subjects. The posters were visually engaging and effectively communicated complex mathematical ideas in an accessible manner.

The Paper and Poster Presentations were assessed by Mrs. G. Vinu Priya, Head & Assistant Professor and Dr. M. Devi, Assistant Professor, both from the Department of Mathematics.

The event concluded successfully, providing participants with valuable experience in academic competitions and enhancing their presentation skills.
