REPORT OF PARENT TEACHERS MEETING

A Parent-Teachers Meeting was conducted on 28.09.2024 from 10.00 am to 1.00 pm. The parents were intimated through the student official groups well in advance through tutors. The meeting started with a silent prayer. The welcome address and introduction about the department was delivered by Dr. S. Santha Lakshmi, HOD of Department of Chemistry. The academic and administrative structure of College and curriculum accepts deliberated in detail for the benefit of parents and students.

The parents were invited to share their views, suggestions and feedback. Several parents spoke on the following aspects:

- Providing more library books and improvement of the laboratory facilities.
- Major highlight of the academic performance was the girl students securing the highest grades in the entire undergraduate programme.

The meeting was followed by the individual interaction with the teachers. Parents visited several laboratories and got a glimpse of the facilities available at the School of Science. The overall satisfaction level regarding the academic calendar, the examination activities and information, the communication among the parents and their wards was observed to be good. However, the parents requested for a better study material to enable the students to face the examinations. The sports and other activities were also on high demand in the discussions with the parents.

SALIENT FEATURES AND OUTCOMES of PTM:

- 111 parents attended the meeting.
- Interaction between Parents, Class Teachers, Subject Teachers and Mentors was done.
