REPORT ON STUDENTS INDUCTION PROGRAMME(SIP) 2024-2025

&

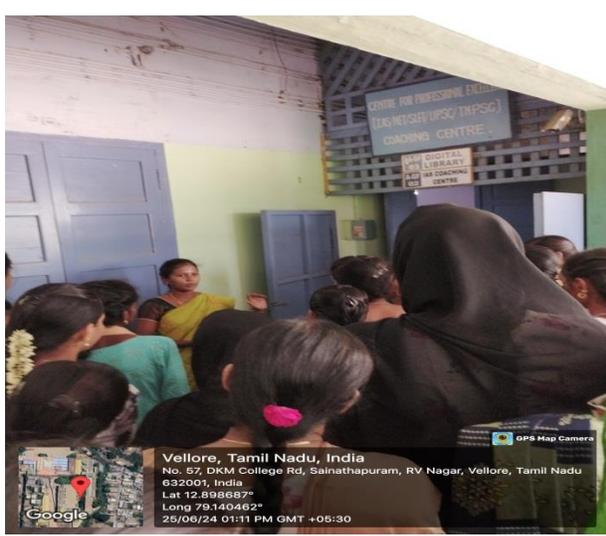

FRESHER'S DAY

The program was inaugurated by Dr. S. Santha Lakshmi, Head, Department of Chemistry in presence of all the UG Chemistry students on 25.06.2024, 8.45 am.. In her Inaugural address she explained the idea behind organizing the induction programme by the college. An induction program is a structured series of activities and sessions designed to welcome and orient new students to an institution. For first-year students, it serves as an essential introduction to academic life, campus culture, and available resources. The goal of the induction program is to ease the transition from high school or previous institutions to university life by providing crucial information, fostering connections, and setting expectations. The induction program is designed to make the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students. Followed by this campus visit was arranged. Dr. R. Arunadevi accompanied the students for campus visit. All the laboratories including FIST lab, offices, libraries, conference halls, departments were shown.

Freshers' day celebrations are an exciting event where new students are warmly welcomed into the college or university community. It's a day filled with introductions, ice-breaking activities, performances, and speeches aimed at fostering a sense of belonging and camaraderie among the new students. It marks the beginning of their academic journey and is often remembered fondly as a memorable start to their college life. Students belonging to the department of chemistry and 2 staff members were participated in this event on 26.07.2024 at 8.40 am. The program started with the prayer.

It was followed by motivational and charming given by Dr. S. Santha Lakshmi, Head of the department of chemistry. She spoke about the college, rules and regulations, achievements of our department, discipline, importance of education, future scope, tips to go in a right way of life. Followed by Dr. Arunadevi spoke some enthusiastic words to the fresher's. Welcome speech was given by seniors to the juniors. Cultural and games were conducted to the freshers. Ice breaking session was conducted followed by bioscope 12 question has been displayed and freshers came forward to answer one by one. Finally, all the students were encouraged to present their feedback and asked to dance.
