Date: 08.01.2025 – 31.01.2025

Venue: Chemistry Lab

Certificate Course was organized by the Department of Chemistry under the guidance of the Chemistry department staffs, Dr. S. Santha Lakshmi, Head, Dr. N. Dhanam, Dr. S.Sashikala and Dr. R. Arunadevi.

Beauty begins inside with in a body and mind that are healthy and well nourished. The definition of beauty is a set of aesthetically pleasing characteristics. It is difficult to define, the standard of beauty which has evolved throughout history. However, more people today than ever say that beauty is an external manifestation of physical, emotional and spiritual health, three of the six dimensions of wellness.

During the course, theoretical explanation about “Beauty and Personal Care”, were given to the students by the staff members. The staff members adopted various teaching modes like chalk and board, power point and demonstration. Students involved themselves in the preparation of various cosmetics and toiletry products.

**Objectives of the Course:**

1. Understanding and recognition of various raw materials and their properties.
2. To formulate herbal cosmetics.
3. Analysis and testing methods in cosmetics.
4. Motivate students to take up cosmetics as a field of research for further education.

**Learning Outcomes:**

1. Job opportunities in cosmetic industry.
2. Entrepreneurship in the field of cosmetics.

**Theoretical Topics Covered:**

1. Importance of Beauty and Wellness
2. Boost Self-Esteem
3. Enhance Confidence
4. Relieve Stress
5. Inspire Positivity
6. Improve Physical Health

## 7. Cosmetology

Students shared their tips in skin care routine. These 30 days have made students to forget their worries, help them to reduce stress and anxiety. However, when we look and feel as good as the people and things around us, it changes our perspective. Suddenly, we feel more positive and want to share our joy with others. Beauty is contagious and motivating.

The course was wrapped up on 31.01.2025, the students displayed the various cosmetic products produced by them and explained the methods they adapted.

Feedback was collected from the students through Google form and e-certificates were generated to the students for the completion of the course.
